Misyonumuz

Yenilikçi yaklaşımımız, birikimimiz ve ileri teknolojilere yaptığımız sürekli yatırımlarla geleceğe yön veriyoruz. Yüksek kalite standartlarıyla geliştirdiğimiz, değer üreten tasarımlar sayesinde insanların yaşam konforunu yükseltiyor ve dünyaya ilham katıyoruz. Sürdürülebilirlik ilkesini odağımıza alarak çevreye duyarlı çözümler üretmeye devam ediyoruz. Müşteri memnuniyetini en üst seviyede tutarak güvenilir ve uzun ömürlü ürünler sunmayı hedefliyoruz. Sürekli gelişimi benimseyen anlayışımızla, sektörde öncü ve örnek bir marka olma yolunda kararlılıkla ilerliyoruz.

Vizyonumuz

Kaliteyi tüm süreçlerinin merkezine alan global bir marka olarak; insanlığa ve çevreye kalıcı fayda sağlayan çözümler üretmek. Yenilikçi bakış açımızla sektörde dönüşüme öncülük ederek geleceğin standartlarını belirlemeyi hedefliyoruz. Sürdürülebilir büyüme anlayışımız doğrultusunda, topluma ve doğaya değer katan projeler geliştirmeye devam ediyoruz. Teknoloji ve tasarımı bir araya getirerek uluslararası ölçekte güçlü ve saygın bir marka olmayı amaçlıyoruz.

Our Mission

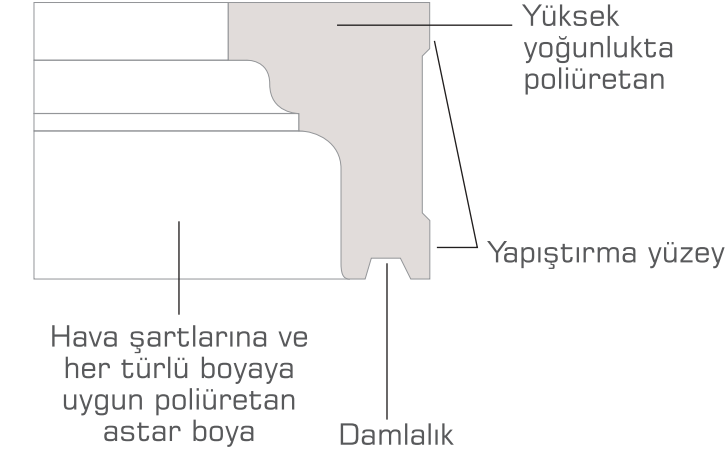

With our innovative approach, accumulated expertise, and continuous investments in advanced technologies, we are shaping the future. Through value-driven designs developed with high quality standards, we enhance people's comfort of living and inspire the world. By placing sustainability at the core of our operations, we continue to deliver environmentally responsible solutions. We aim to provide reliable and long-lasting products while maintaining the highest level of customer satisfaction. With our commitment to continuous improvement, we move forward with determination to become a leading and exemplary brand in our industry.

Our Vision

As a global brand that places quality at the center of all its processes, we aim to produce solutions that provide lasting benefits to humanity and the environment. With our innovative perspective, we strive to lead transformation in the industry and set the standards of the future. In line with our sustainable growth approach, we continue to develop projects that add value to society and nature. By combining technology and design, we aim to become a strong and reputable brand on a global scale.

Sn. İrfan PERTEKLİ;

Laboratuvarımıza 17.07.2020 tarihlerinde teslim edilen deney numunenizde, talebiniz doğrultusunda; "TS EN 12667 "Yapı malzemeleri ve mamullerinin ısı performans-mahfazalı sıcak plaka ve ısı akış sayacı metotlarıyla ısı direncin tayini-yüksek ve orta ısı dirençli mamuller", "TS EN 823: Isı Yalıtım Malzemeleri-Binalar İçin-Kalınlik Tayini" ve "TS EN ISO 11925-2: Yapı Malzemeleri – Yangın Dayanımı Deneyleri-Alev Doğrudan Maruz Kaldığında Tutuşabilirlik- Bölüm 2: Ek Alev Kaynağıyla Deney" deneyleri yapılmıştır. Söz konusu numunelere dair deney, yangına tepki sınıflandırması ve ürün tipi tayin raporu ekte bilgilerinize sunulmaktadır.

Göstermiş olduğunuz ilgiden ötürü teşekkür eder, iyi çalışmalar dilerim.

Saygılarımızla,
